GALLOPING HOOPS
Chapter 9
"Tricked"

By Frank Leon Smith.

It is not the real box Kirby is protecting, and the crooks are foiled. Carol has it, and she and Ephriham leave the next day for New York, Kirby finds the Emir of Smyrnia about to grant a concession to Shaw and has difficulty postponing action until Carol arrives. Carol has been tricked into the wrong taxi at the station, and she is attacked by a thug who wants the box. She has given it to Ephriham, who delivers it. As the concession is put before the Emir, the lights go off and there is a mad scramble in the dark.
